VI.Read the passage, then decide if the statements that follow it are True or False

The Internet has rapidly developed and become part of our daily life. It's a very fast and convenient way to get information. People use the Internet for many purposes: education, communication, entertainment and commerce. The Internet helps people **communicate** with friends and relatives by means of email of chatting. However, the Internet has limitations. It is time-consuming and costly. It is also dangerous because of virus and bad programs. On the other hand, the Internet users sometimes have to suffer various risks such as spam or electronic junk mail, and personal information leaking. So, while enjoying surfing, be alert!

LIVEWORKSHEETS
