### NEW CAFETERIA NOW OPEN!

I'm Amanda. Today I'm writing about the new cafeteria at our school. It's very colorful and modern. There are a lot of interesting snacks and drinks. The prices are cheap, too. You can buy a bag of chips, a bar of chocolate or a piece of fruit for a quick snack.

For lunch, you can have a slice of pizza, a box of cookies, or a sandwich. I had a slice of pizza and a can of soda. My friend, Jackie, had a chicken sandwich and a glass of lemonade.

There are many cakes for desserts, too. I had a piece of chocolate cake. Jackie had a piece of carrot cake. All the food was delicious.

The new cafeteria is great. There's usually a very long line, but it's worth the wait!
