**II/ Choose the best word for each space .**

A visit to a museum expands our knowledge of the past. I (11) \_\_\_\_\_ a chance to visit the National Museum in New Delhi. A friend accompanied me to the museum. It is a huge building divided into different sections. There are various exhibits in each section.(12) \_\_\_\_\_, we saw the stars in our galaxy. The stars are painted on the ceiling of the dome. We felt like we were in the galaxy of stars for real. We then moved on to another section that had weapons of ancient times. They were arranged in a manner to describe the battle scenes. The household goods from ancient times were kept in the nearby room to display the domestic life of the ancient people. There were (13) \_\_\_\_\_ things made by Indian scientists that were on display. Things that are put on display (14) \_\_\_\_\_ solar cookers, solar light systems and models of dams help us understand how far Indians have come after Independence. We kept moving on to one section from the other and learned a lot about our country’s rich past. We did have a great time at the museum and we are (15) \_\_\_\_\_ to our next visit.

14. A. as B. of C. such as D. such  
15. A. look forward B. looking forward C. looked forward D. looks forward

### **III/ Read the article and decide these sentences are True or False .**

When venturing into the wilderness, proper preparation and planning are essential to ensure a safe and successful experience.

#### **Building a Survival Kit**

A well-prepared survival kit can be the difference between life and death in an emergency situation. Important components of a kit should include everything from navigation tools, first-aid, food and shelter materials. Keep it lightweight and easily accessible to ensure optimal usability in the field.

#### **Understanding Your Environment**

Knowledge of the environment is crucial for wilderness survival. Before getting on a journey, gather information about the specific region on will be visiting. This includes:

Studying a map of the area to familiarize oneself with the terrain and potential hazards.

Researching local weather patterns, which can significantly impact safety and preparedness.

Understanding the flora and fauna, including potential dangers posed by wildlife, insects or poisonous plants.

Identifying reliable sources of water and potential shelter locations.

Equipped with information, one can adapt their survival strategies and preparations to the unique challenges of the environment they will be entering.

16. It's unnecessary to prepare before venturing the wilderness. \_\_\_\_\_  
17. Navigation tools, first-aid, food and shelter materials are important components of a kit. \_\_\_\_\_  
18. Remember you should keep your kit lightweight and easily accessible to use it optimally. \_\_\_\_\_  
19. Besides a well-prepared survival kit, spending time understanding about the environment is also important. \_\_\_\_\_  
20. You should bring a lot of money when getting on a trip into the wilderness \_\_\_\_\_

**THE END**
