

Instructions: Read about an unusual routine.

The life of a roadie isn't easy! And Jake Redman knows. This is his tenth year as a roadie with some of the biggest names in music. He has a hard routine on tour. He gets up at noon when the tour bus arrives at the next stadium. He starts work right away- he helps to get the stadium ready for the show.

It takes four hours and fifty people! Is hard work. Then, it's time for a meal and a little free time. Sometimes he watches the show in the evening. When the show is over, after midnight, goes back to work. He puts all the equipment away and finally gets to sleep at around four in the morning. What a life!
