

Mathematics

Subtraction

1. Mother had 10 plums. She gave away 4.

How many are left? $10 - 4 = \underline{\hspace{2cm}}$ plums

2. Sam has 4 apples. He ate 2.

How many are left? $4 - 2 = \underline{\hspace{2cm}}$ apples

3. I have 10 pencils. I gave away 7.

How many are left? $10 - 7 = \underline{\hspace{2cm}}$ pencils
