   B: I eat lunch at school.
4. A: ..... do you get home from school?
   B: I go home by train.

III. Read. Write *T* for True or *F* for False.

How do you get to school? Do you go by bus or by car? Some children have a long walk to school. Banpo primary school in China is high on a mountain. The children live far away. There aren't any school buses or cars. So, how do they get to school? They walk to school every day with their teacher. They walk along a small road on the side of the mountain. The road is very high up and dangerous! The children start their day early in the morning. It's a long trip and it is very scary!

1. The children go to school in a town. ☐
2. There aren't any buses. ☐
3. The children walk to school with their parents. ☐
4. They start their trip early in the morning. ☐
