Jen Atkin's morning routine

Jen Atkin is a **celebrity** hairdresser with more than three million followers on Instagram. The Kardashians, Katy Perry and Jennifer Lopez usually go to her **salon**.

She always gets up at about 6:30 or 7:00 a.m. Then she usually plays a hip hop **playlist**, takes her phone and check emails, Twitter and the **weather forecast** online for one hour. After that, she does some exercise and sometimes a bit of yoga. Then she has a shower and it's breakfast time! She often has tea, a banana and some cereals. She never has coffee! At 10 o'clock she leaves home and goes to work. She usually goes to her salon by car. It takes her more than one hour because there are always **traffic jams**!
