

1. WATERLOO - STORY OF FAMOUS LEADERS

Julie Durand, November 9

Waterloo is a movie about the last battle against Napoleon Bonaparte in Waterloo.

Napoleon Bonaparte was a French general and leader. He was born in 1769 and became a general at the age of 24. He won many battles against armies from different European countries and made France become a powerful country. However, he lost the Battle of Waterloo in 1815 to the Duke of Wellington. It was the end of his ruling.

The movie did a great job at showing the great minds of the two generals. They were both very smart and good at leading their soldiers. Waterloo is a fantastic movie.

Hi, Susan.

We're having a wonderful time in Australia. We arrived in Melbourne last week and stayed there for two days. On the first day, we went to Royal Botanic Gardens. Visiting Botanic Gardens is the best free thing to do in Melbourne. There are more than 8500 species of plants here. In the summer, there are also live performances in the Gardens. On the next day, we visited the Royal Exhibition building. It's one of the oldest places in Melbourne. We arrived in Sydney yesterday morning. The city was so nice in the sunshine. We sat in a café by the river and had lunch. Sydney is more exciting than Melbourne, but it is noisier and more expensive. Melbourne is smaller, but it has a lot of lovely old buildings and great restaurants. That's why I prefer Melbourne.

Wish you were here.

Jennifer.
