THE DRUG PROBLEM

Many people today are worried ~~about~~ drugs. It seems that more
and more people are becoming addicted ~~to~~ substances, such as
heroin and cocaine, that damage their health. But what leads ~~to~~
people becoming addicts? What makes someone inject a drug ~~into~~
their veins? Is it because of their inability to cope ~~with~~ problems in
their everyday lives? One thing is for sure. When we complain ~~about~~
the problems caused by hard drugs, we need ~~to~~ remember that
people suffer ~~from~~ all kinds of health problems caused by legal
drugs, such as alcohol and tobacco. We would all benefit ~~from~~ more
education and the government should attempt ~~to~~ make sure we
all know the risks involved.
