|                                                                                     | <i>rather spicy</i>                                                                 | 3 birthday cake                      |                                        |
|                                                                                     |                                                                                     | 4 cooked vegetables                  |                                        |
|                                                                                     |                                                                                     | 5 fish                               |                                        |
|                                                                                     |                                                                                     | 6 meat (e.g. a steak)                |                                        |
|                                                                                     |                                                                                     | 7 bread                              |                                        |
|                                                                                     |                                                                                     | 8 chips                              |                                        |

**ACTIVITY 3:** Answer the personal question.

1. Do you like eating out, or do you prefer to eat at home? Why?
2. When was it the last time you went to a restaurant?
3. What did you order?

4. Do you remember how much it cost?
5. Was that expensive or cheap?
6. Did you like that particular restaurant? Why?

**ACTIVITY 4:** ORAL. Look at the expressions for ordering and serving. Make a small dialogue using some of them.

|                                                                                                                                                                                                 |                                                                                                                                            |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>CUSTOMER</b><br>Could I have a table for four, please?<br>To start, I'd like...<br>As a main course, I'll have...<br>Could I have some more bread, please?<br>Could I have the bill, please? | <b>WAITER</b><br>What would you like?<br>What can I get you?<br>Anything to drink?<br>Enjoy your meal!<br>The chicken is served with rice. |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|

**ACTIVITY 5:** Label the table items.

|   |    |
|---|----|
| 1 | 6  |
| 2 | 7  |
| 3 | 8  |
| 4 | 9  |
| 5 | 10 |
