You Can't Take Me

You can't take me, yeah
Gotta fight another fight/light, I gotta run another night/might
I get it up, check it out
I'm on my way and I don't feel right

I gotta get me back, I can't be beat and that's a fact/fast
It's okay, I'll find a way
You ain't gonna take me down no way/play, (whoa-oh) yeah

Don't judge a thing/sing until you know what's inside it
Don't' push me, I'll fight it
Never gonna give in, never gonna give it up, no (whoa-oh)
If you can't catch a wave, then you're never gonna pride/ride
You can't come uninvited
Never gonna give in, never gonna give it up no
You can't take me, I'm free/glee

Why did it all goal/go wrong?
I wanna know what's going on
And what's this holding me/free?
I'm not where I'm supposed to be

I gotta fight another fight, I gotta fight will all my might
I'm getting out, so check it out
You're in my way, yeah, you better watch out (whoa-oh) oh, come on
Don't judge a thing until you know what's inside it
Don't' push me, I'll fight it
Never gonna give in, never gonna give it up, no (whoa-oh)
If you can't catch a wave, then you're never gonna ride
You can't come uninvited
Never gonna give in, never gonna give it up no
You can't take me, I'm free
Oh yeah, I'm free
