

## You Can't Take Me

You can't take me, yeah  
Gotta fight another **fight/light**, I gotta  
run another **night/might**  
I get it up, check it out  
I'm on my way and I don't feel right

I gotta get me back, I can't be beat  
and that's a **fact/fast**  
It's okay, I'll find a way  
You ain't gonna take me down no  
**way/play**, (whoa-oh) yeah

Don't judge a thing/sing until you  
know what's inside it  
Don't push me, I'll fight it  
Never gonna give in, never gonna give  
it up, no (whoa-oh)  
If you can't catch a wave, then you're  
never gonna **pride/ride**  
You can't come uninvited  
Never gonna give in, never gonna give  
it up no  
You can't take me, I'm **free/glee**

Why did it all **goal/go** wrong?  
I wanna know what's going on  
And what's this holding **me/free**?  
I'm not where I'm supposed to be

I gotta fight another fight, I gotta fight  
will all my might  
I'm getting out, so check it out  
You're in my way, yeah, you better  
watch out (whoa-oh) oh, come on  
Don't judge a thing until you know  
what's inside it  
Don't push me, I'll fight it  
Never gonna give in, never gonna give  
it up, no (whoa-oh)  
If you can't catch a wave, then you're  
never gonna ride  
You can't come uninvited  
Never gonna give in, never gonna give  
it up no  
You can't take me, I'm free  
Oh yeah, I'm free
