

My WEEKEND

Choose the correct connectors of sequence to complete the paragraph:

Then / First, Michael studied computer technology at a university in London. After that / First, he moved to Australia. Finally / Next, he got a job in a big bank in Melbourne. Then / First, he left his job at the bank. First / Finally he decided to return to London.

What did you do last weekend? Remember to use the past simple tense in your answer. Try to also include some of the connectors of sequence from the first exercise.
