

FLOWCHART

Objetivo: To identify they procesos with the correct order in order to make a flowchart
Instriccions: Drag and the procesos into the correct shape

End, are the ingredients?,
put oil in the pan,
put the eggs in the pan, start,
the stove is on?, we search,
let them heat for two minutes and remove them,
light the fire, it has oil, turn off the fire, heat the oil,
is the oil hot?
