

1. Read and answer the questions below.

JASON

I work every day! I'm a homemaker. My wife works in a factory. She works from Monday to Friday and she doesn't work in the factory at the weekends.

We have two children. I take care of the children, cook, clean the house... I work every day but I like my job.

JENNY

I work with my husband. We work in a hospital. I'm a doctor. I work in the morning and in the afternoon but I don't work at the weekend.

My husband isn't a doctor. He's a nurse. He works in the mornings, at nights and at the weekends too.

WILL

I don't like my job. I'm a waiter. I work in a busy restaurant. I work six days a week and I don't work on Tuesdays. I start my work in the morning and I finish at night. It's a difficult job.
