Hey Sara. Have you heard about what Renata did at the school party?

Oh no, what's she done now, Lucas? 😞

Well, as usual she wanted to make everyone laugh, so she wore her mum's long cream (1) raincoat and then under that ...

Shorts and T-shirt? 🌺 Hawaiian shirt? Ice cream costume? 😊

It was worse! She was wearing the same clothes as Mrs Perkins! She had a pair of blue (2) trousers with gold spots. She also wore a short pink skirt and a yellow patterned (3) top.

Ha ha! Mrs Perkins always wears bright things. 😄 Was Renata cold?

Not really. On top of her yellow top, she had a nice warm orange (4) scarf. And you know how Mrs Perkins loves colourful rings, earrings and bracelets?

Yes, she loves all sorts of (5) jewelry.

Well, Renata wore a huge ring on EVERY finger!

Brilliant. And let me guess, she carried a big (6) bag on her arm, and on her feet, she had those green and white (7) slippers that Mrs Perkins wears to cycle to school.

That's right. And do you know the best thing? Well, when Mrs Perkins walked in and saw Renata ...

WHO'S YOUR FAVOURITE CLOTHES DESIGNER?

Valeria

My favourite designer is Anaya Acharya. Have you heard of her? She's from India and she's very well known in her country. She was only seven years old when she started to design clothes. She was always in trouble at school because instead of doing her lessons, she drew clothes! I don't think her teachers were very happy with her. But she's now at fashion school and was the youngest designer at international fashion week last year. I really want to buy one of her dresses – they're awesome!

Grace

Do you know the Olsen twins, Mary-Kate and Ashley? They're actors, but I think they're better at designing clothes. They make clothes for girls which they sell in supermarkets. The clothes are cheap, so I can buy T-shirts and jeans with my own money. They also make handbags and jewellery and they've won a lot of prizes. They're very talented.

Santiago

My favourite designer isn't famous (yet!) and you can't buy his clothes in shops. He's called Greg Nelson and he went to school with my brother. He takes all sorts of old clothes that nobody wants, like dirty old jumpers, tracksuits and even suits and ties and makes them into clothes for young people who don't have anywhere to live. He thinks it's important that everyone can wear clothes that make them feel good, and I agree. He's my hero!
