III. READING COMPREHENSION

Read the following letter, answer the questions!

Hi Victoria,

I spoke to Sam Wu yesterday, and he agreed to be one of our 'culture speakers' at the conference. Unfortunately, he's reluctant to make a presentation. He said he was happy to answer questions in the group discussion, though. I also spoke to Mai Cheng. She's very keen to give a talk, which is obviously good news.

So, I think, with the two of them, we can arrange a presentation followed by a Q&A session, or something like that. Mai is going to think of some ideas, and meet Sam next week, so they can discuss them. I told her we were happy for her and Sam to decide what to talk about.

I also called Tom about his 'surprise gifts' for the conference. He refused to say what they are! He's decided not to say anything until the last minute, but he has promised to tell me what they are a week before the conference. I don't know what he's planning but, knowing Tom, it'll be something 'different'!

Regards,

Amelia
