

Pete!

Yes, Andy?

I really want to eat fruit.
You really want to eat fruit?

Yes. Look in the fridge, will you?

Are there peaches?

And are there cherries?

I need them for my salad.

I also need berries.

All these fruits, fruits, fruits

Are so good, good, good

All these fruits, fruits, fruits

Are so good, good, good

Mmmmm

Mmmmm

I'm sorry, oh so sorry.

We've got beans, carrots.

We haven't got berries,

We haven't got cherries.

All these fruits, fruits, fruits

Are so good, good, good

All these fruits, fruits, fruits

Are so good, good, good

Mmmmm

Mmmmm

Whoa!

Are there apples?

Or kiwi fruit?

Are there nuts?

Yeah, nuts would be so good.

Are there grapes?

I'd love a juicy bunch.

I want to make a fruit salad

And eat it for my lunch.

I'm sorry, oh so sorry.

We've got onions - oh

And also tomatoes

But fruit? So sorry, no!

(We've only got vegetables.)

We've got no fruit, fruit, fruit.

That's not so good, good, good.

We've got no fruit, fruit, fruit.

That's not so good, good, good.

We've got no fruit, fruit, fruit.

That's not so good, good, good.

We've got no fruit, fruit, fruit.

That's not so good, good, good.

Oh no!

Oh no!

(Let's have ice cream then. Oh yes!)
