Dear Jenn,

How are you? I am good! I was very happy to stay at Ana's beautiful house on the lake this summer. I was there in August. It was warm every day and cool at night. I was there for ten days. My three friends were there for the last five days with me. There were only three beds. At night

there was always one person asleep on the floor! That was not so good. It was really useful to have Ana's little boat next to the house and it was great fun to see all the lake.
