5. ....

**1. Bagian – bagian sel saraf**

|  |  |
|--|--|
|  |  |
|  |  |
|  |  |
|  |  |

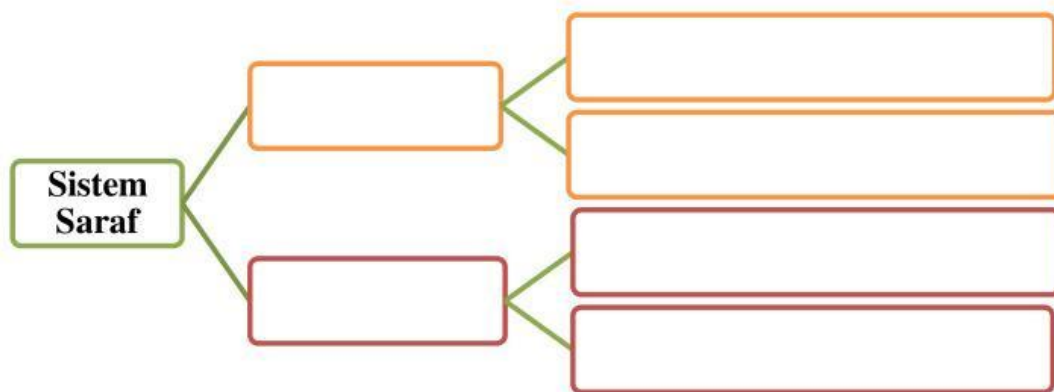

**2. Fungsi Bagian-bagian sel saraf**

| No. | Nama Bagian | Fungsi |
|-----|-------------|--------|
| 1   |             |        |
| 2   |             |        |
| 3   |             |        |
| 4   |             |        |
| 5   |             |        |
| 6   |             |        |
| 7   |             |        |
| 8   |             |        |

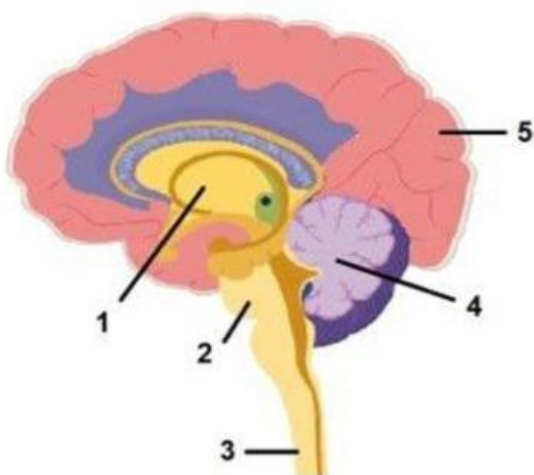

### 3. Jenis-jenis sel saraf dan Fungsinya

|                 |  |
|-----------------|--|
| Neuron Sensorik |  |
|                 |  |
|                 |  |

### 4. Susunan Sistem Saraf

### 5. Struktur Otak

|  |
|--|
|  |
|  |
|  |
|  |
|  |

**6. Struktur Otak dan Fungsinya**

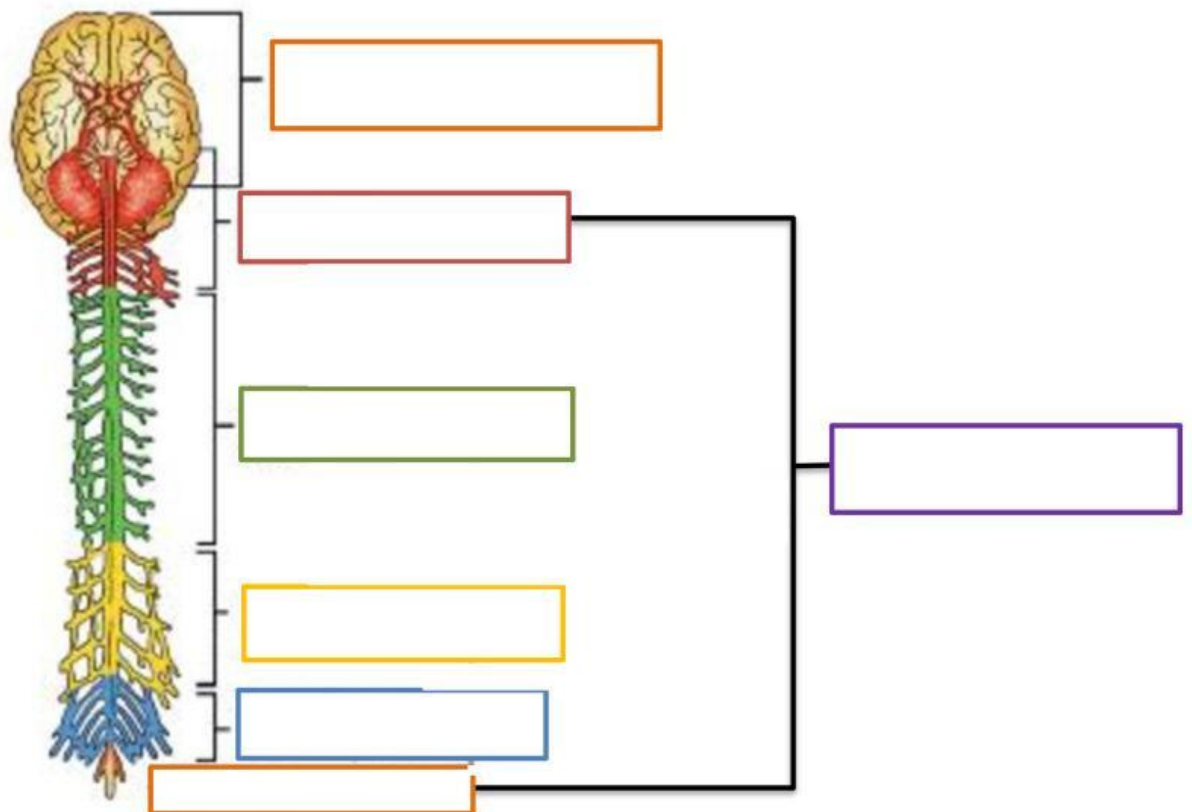

| No. | Nama Bagian      | Fungsi |
|-----|------------------|--------|
| 1   | Otak Besar       |        |
| 2   | Otak Kecil       |        |
| 3   | Otak Depan       |        |
| 4   | Otak Tengah      |        |
| 5   | Jembatan Varoli  |        |
| 6   | Sum-sum Lanjutan |        |

**7. Sebutkan bagian-bagian otak besar dan fungsinya**

|  |  |
|--|--|
|  |  |
|  |  |
|  |  |
|  |  |

**8. Sebutkan fungsi sum-sum tulang belakang (*Medulla spinalis*)**

9. Lengkapi gambar sistem saraf tepi berikut!

10. Jenis-jenis saraf kranial

| No. | Nama | Tipe/jenis | Fungsi |
|-----|------|------------|--------|
| 1   |      |            |        |
| 2   |      |            |        |
| 3   |      |            |        |
| 4   |      |            |        |
| 5   |      |            |        |
| 6   |      |            |        |
| 7   |      |            |        |
| 8   |      |            |        |
| 9   |      |            |        |
| 10  |      |            |        |
| 11  |      |            |        |
| 12  |      |            |        |
