Question 1

Read this email from your English-speaking college classmate Alex and the notes you have made.

The image shows a screenshot of an email client interface. The email header includes a 'From:' field with 'Alex' and a 'Subject:' field with 'College science presentation'. The main body of the email contains the following text:

Hi,
It's great that we're going to work together on the college science presentation. Do you think we should choose the rainforest as our topic?
We only have two weeks to prepare, so can we start tomorrow?
Where can we go to prepare the presentation? My cousins are staying at my house at the moment, so we can't work there because it's too noisy.
We can give our presentation to the class either in the morning or the afternoon. Which would you prefer?
Let me know
Alex
