Dialog 1

B. After listening to the recording, read these materials or requirements from the recording. Match them with the right headings by giving a tick (✓) in the right column.

| Materials or requirements     | Online Shopping | Random Act of Kindness | Pay Online with a Credit Card |
|-------------------------------|-----------------|------------------------|-------------------------------|
| a. Enough balance             |                 |                        |                               |
| b. Stable internet connection |                 |                        |                               |
| c. Zip lock bags              |                 |                        |                               |
| d. Socks                      |                 |                        |                               |
| e. Laptop/ smartphone         |                 |                        |                               |
| f. Toothbrush                 |                 |                        |                               |
| g. Updated application        |                 |                        |                               |
| h. Credit card                |                 |                        |                               |

C. Match the following steps with the right headings by giving a tick (✓) in the column.

| Steps to follow                                                                | Online Shopping | Random Act of Kindness | Pay Online with a Credit Card |
|--------------------------------------------------------------------------------|-----------------|------------------------|-------------------------------|
| a. Help someone who is in need.                                                |                 |                        |                               |
| b. Enter a shipping address.                                                   |                 |                        |                               |
| c. Fill the bags with everyday items.                                          |                 |                        |                               |
| d. Find an item needed using Google Shopping.                                  |                 |                        |                               |
| e. Search for a product you need using Google Shopping.                        |                 |                        |                               |
| f. Verify your information.                                                    |                 |                        |                               |
| g. Keep them in a car.                                                         |                 |                        |                               |
| h. Type a correct address.                                                     |                 |                        |                               |
| i. Compare the prices for the same items.                                      |                 |                        |                               |
| j. Choose a credit card and enter your info as it appears on your credit card. |                 |                        |                               |
