Chocolate Chip Cookies recipe

First, preheat the oven to 350°F. **Place / Cover** a bowl on the table and **dig / add** the butter and sugar. **Stir / Reduce** until all the ingredients are mixed and smooth. Break the eggs into the bowl. Then, **increase / pour** the vanilla extract. **Add / Remove** the flour and the chocolate chips and **pull / stir** again. **Cover / Boil** the cookies with a plastic wrap and **place / freeze** them for 15-20 minutes. After that, **remove / place** the plastic wrap and **reduce / press** down lightly on each cookie with a spoon. Finally, bake the cookies in the oven for 10-20 minutes. Enjoy your delicious chocolate chip cookies with a glass of milk.

III. Choose 2 verbs from the vocabulary and create 2 sentences:

- 1) _____
- 2) _____
