Pay attention to the text below carefully to be able to answer the questions given!

How to Make Sandwich

Ingredients:

- Bread
- Meat
- Egg
- Lettuce
- Cheese
- Margarine
- Tomato sauce

Steps:

- First, put the margarine into the heated frying pan. Then, bake the bread on frying pan.
- Second, fry the egg on frying pan. When the egg is almost cooked, put the meat and bread on it.
- After that, arrange the egg, meat, cheese, lettuce, and tomato sauce on the bread. Cover sandwich filling with bread.
- Finally, the sandwich is ready to eat.

Please drag and drop the answer in the proper box!
