The Roman Coin

My name's Antoine, and I live in a small town. One day, I ¹ in the fields with my friends when I found an old coin. A few days later, while I ² a nearby city, I took it to a museum. The experts there ³ it was very rare!

A couple of days later, a team of archeologists came to my town. ⁴ they were exploring the site, they ⁵ more coins and other artifacts. After a few days, they made an amazing discovery while they ⁶ – they found a large mosaic. I was visiting the site ⁷ they found it and they let me clear some of it with a brush!
