★★★★★ ***I'm so thankful I found Ticket Stack!***

I work for an independent local theater, Dewley Theater. We recently ordered 2,500 tickets from Ticket Stack. We decided against securing the tickets with the invisible verification stamp but did download the free software so that we would have more flexibility with the design and could include the theater's logo. The tickets came out great! A number of patrons complimented us on the new design, and we were especially pleased with the prompt delivery! By contrast, last year we ordered tickets from a small company based here in Albany and were disappointed with the service. That order took four weeks to arrive. This year, even though Ticket Stack is based on the opposite side of the country, we received our tickets within just five business days!

Revised Business Plan: Sole Assortment

Section 1. Purpose

Raleigh Street has become a vibrant district of eateries, shops, and entertainment venues. My business, Sole Assortment, will fill a very significant gap among the existing apparel shops and department stores. Sole Assortment will focus on women's shoes and accessories. We are committed to offering high-quality footwear at affordable prices in a relaxing, customer-centered environment.

Section 2. Target Market

Sole Assortment will serve women who work in the surrounding area. Weekend customers are those who come to the area for shopping, dining, and entertainment.

To: Mpho Mashigo [mmashigo@marketstreetlegal.co.za]
Date: 12 May
Subject: Office furnishing update

Hello, Mpho,

I've completed some research and would like to suggest that we go with Central Craft Office Furnishings for the desks and other pieces for our office renovation. Though we've never purchased from them before, they provided references that gave glowing recommendations.

I think we should choose a larger desk type for our main work area (twelve desks), with matching filing cabinets and bookshelves. For the support staff and interns who work upstairs, I suggest a simpler desk style.

If you approve these suggestions, I'm hoping to place the order quickly so that the items would be delivered while most of our staff are away at the conference in Bloemfontein. Unfortunately, our work areas will appear quite messy as we clear out the old furniture and await the arrival of the new items.

Please let me know what you think of the plan I have outlined above.

David

| Subject: | Menu tasting |

Hi Bettina,

It's hard to believe Mr. Bonneau will be here in just four weeks! Since his review will be published in the city newspaper, let's be sure that our selections reflect the very best of The Plum Room. To get input on the menu we'll be serving him, I've decided we should hold a special menu-tasting event on Saturday of next week.

I have a few suggestions for what we could serve at the menu tasting. How about preparing a hearty meatless entrée that can really hold its own? That way we can highlight our vegetarian-friendly offerings. Perhaps our steamed shellfish dish would be a good option too. I do insist, however, on offering the new specialty pizzas we're planning to introduce on our regular menu. That is, of course, assuming construction on the brick oven is completed by then. Also, I think we could serve at least one of our fruit desserts—they are always popular. But do know that I have full confidence in you, as Head Chef, to finalize the menu selections.

Lastly, I'd like to offer our menu-tasting patrons a chance to tour the kitchen while they are here. Let me know how you feel about this and how best to arrange it.

Thanks,

Jethro Li

Tasting Comment Card

Name: Elianne Aude

Please comment on your tasting experience at The Plum Room.

I was pleasantly surprised by the gentle sweetness of the eggplant dish; the sauce was a little acidic for my taste though. The halibut, on the other hand, exceeded all my expectations. The Tuscan chicken was tender, but overall it lacked flavor. Regarding the cake, it was fairly tasty, though a bit overcooked. I was quite impressed with the efficient design of your kitchen. I look forward to sampling the new brick-oven pizzas when they're introduced. It's a shame you weren't able to offer them today.

| To: | Interns |
| From: | Hassan Asif |
| Subject: | Speaker series |
| Date: | February 11 |

Dear students,

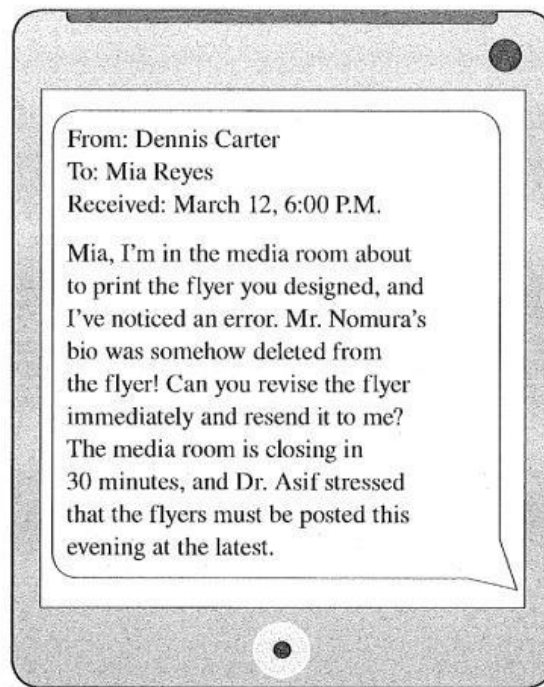

Good news! Mr. Tatsuo Nomura has agreed to participate in our Speaker Series this spring. As part of your student internship responsibilities you will need to arrange his lodging here at the university for March 25–27 and have the necessary paperwork completed and approved so that Mr. Nomura can receive his honorarium. Please reserve a room for his presentation as well. I recommend McAneny Auditorium since it can accommodate the most people, but any of the presentation rooms in the business building would be fine.

Also, once Mr. Nomura provides his abstract, you will need to design a flyer and post it in the usual locations throughout the building. I trust you will be able to divide the work among the four of you without any issues. Thanks!
