

Q.1: Fill in the blanks.

[Building, Proton, Neutron, Atom]

- 1) Atom is basic _____ block for all matter in universe.
- 2) _____ are extremely small and made up of few even small particles.
- 3) Basic particles that made up atom are electrons, _____ and _____.

Q.2: Label the following diagram:

Q.3: Define the terms:

- 1) Atoms : _____

- 2) Protons : _____

- 3) Electrons : _____

- 4) Neutrons : _____

Q.4: Fill in the below table:

	Charge	Location
Protons		
Neutrons		
Electrons
