

1.3 The stimuli and responses in plants

Plant response	Stimulus	Part involved	Importance
a) Phototropism 			
b) Hydrotropism 			
c) Geotropism  The pot is put horizontally			
d) Thigmotropism 			
e) Nastic Responses 			

Fill in the blanks with the words "positive or negative"

Shoots show:

- a) _____
Phototropism
- b) _____
geotropism
- c) _____
hydrotropism

Roots show:

- a) _____
Phototropism
- b) _____
geotropism
- c) _____
hydrotropism
