

Name _____

Date _____

LET'S INVESTIGATE

Come on, investigate the text below, find the adverb of future time that is used. (ayo investigasi text di bawah ini, temukan adverb of time future yang digunakan)

Hi, back again with Dewi here, this time I will share my plans for me time. So, I have plans to spend time just for myself tomorrow, because tomorrow is a national holiday and tomorrow is also my birthday. First, I will to watch cinema because there is a film that I really want to see. Next, I also will to go to buy some things that I have really wanted for a long time. Lastly, I want to go eat at a cafe that sells various foods and drinks
