LIVEWORKSHEETS

Read these Descriptive Text below and match the correct picture according to the text !

The Eiffel Tower is a famous tower located on Champ de Mars in Paris. Built in 1889, it became both a global icon of France and one of the most recognizable structures in the world.

The tower is the tallest building in Paris and the most-visited paid monument in the world; millions of people visit it every year. Named after its designer, engineer Gustave Eiffel, the tower was built as the entrance arch to the 1889 World's Fair.

The tower 's height is 1,063 feet tall, about the same height as an 81-story building. The tower has three levels for visitors.

Tickets can be purchased to ascend, by stairs or lift, to the first and second levels. The walk to the first level, it took over 300 steps, as the walk from the first to the second level. The third and highest level is accessible only by elevator. Both the first and second levels feature restaurants with amazing France dish
