Read. Then circle *True* or *False*.

Art Show

Our students aren't famous, but they are very good at art! Please come and look at their work.

Evan

Evan makes sculptures with recycled materials. He says: "I want people to save the environment and reduce trash."

Sophia

Sophia makes pictures from pieces of clay and glass. Her pictures look like flowers, trees, or plants.

Emir

Emir makes bowls and plates that look like fruit. They are made of paper and flour. He paints them in bright colors.

Theo

Theo lives near the sea. He paints pictures. The colors of the ocean inspire him.

- 1 At the art show, you can see the work of famous artists. True / **False**
- 2 Evan doesn't use new materials in his work. True / False
- 3 Evan wants to save the environment. True / False
- 4 Nature inspires Sophia. True / False
- 5 Emir's bowls and plates are made of clay. True / False
- 6 Theo uses bright yellow and orange colors in his paintings. True / False
