### Athletics Championships

Right everyone! Some important information about the three college trips before the end of June. Firstly, we're all going to Birmingham to see the International Athletics Championships. That's the only trip (14)\_\_\_\_\_ during March because I know that April is such a busy time for students. We're going on the 15th. For those of you who haven't (15)\_\_\_\_\_ before, it's the largest single sports competition in Britain, so we're really pleased that we're going. A hundred and (16)\_\_\_\_\_ will take part, which means you'll see five hundred and twenty world-class sportsmen and women there, and you'll be amongst thousands of other fans. As for our trip, I don't have the final (20)\_\_\_\_\_ yet, but I will by this afternoon. So, I think I'll write an information sheet with answers to all your questions on it. You'll get copies of this on Friday, so you can read through everything over the weekend.

Right ... the second trip will ...
