### **3. What lesson can we learn from this story?**

Circle the correct answer:

*We have to be ( kind / angry / rude ) to other people  
because they might have to ( sing / help / write ) you some  
day.*

### **4. Read the first paragraph of each chapter. Say which chapter it is and what the name of the chapters are.**

Use the following word bank:

|                    |              |                   |
|--------------------|--------------|-------------------|
| <b>Ahmed</b>       | <b>Three</b> | <b>Two</b>        |
| <b>A Good Team</b> | <b>One</b>   | <b>The Island</b> |

## The Short Trip

| <b>Chapter</b>                                                                                                                            | <b>Chapter</b>                                                                                                                                                                                    | <b>Chapter</b>                                                                      |
|-------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| <p>Suddenly, everything was as dark as the night.</p> <p>A storm was coming! Trees moved in the wind. I felt rain begin to come down.</p> | <p>I was happy when I got up today. My friends and I were going out in my boat. We wanted to go to an island. Marwan and I met at the beach. Omar came later with Ahmed. Now, I wasn't happy.</p> | <p>My boat was gone! How would we leave the island? I tried not to feel afraid.</p> |
