

SOMEONE YOU LOVED

I'm going under and this time I fear
there's no one to save me
This all or nothing really got a way
of driving me crazy
I need somebody to heal
Somebody to know
Somebody to have
----- to hold
It's easy to say
But it's never the same
I guess I kinda liked the way you
numbed all the pain
Now the day -----
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being
someone you loved
I'm going under and this time I fear
there's no one to turn to
This all or nothing way of loving got
me sleeping without you
Now, I need ----- to know
Somebody to -----
Somebody to have
Just to know how it feels
It's easy to say but it's never the same
I guess I kinda liked the way you
helped me -----
Now the day bleeds
Into nightfall

And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being
someone you -----
And I tend to close my eyes when it
hurts sometimes
I fall into your arms
I'll be safe in your sound 'til I come
back around
For now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being
someone you -----
But now the ---- bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the ----
I was getting kinda used to being
someone you-----
I let my guard down
And then you pulled the rug
I was getting kinda used to being s
----- you loved
