Mariam and Ahmed are learning about sustainability.

Help them to complete the activity below by filling in the gaps in the passage.

earth	**recourses**	**coal**	**sustainable**	**generations**

It is important to be .....**.** This is so that we can meet **our needs**, and still make sure there are enough ..... left for **future** ..... .

There are some natural resources we get from the ..... gives us. These cannot be replaced.

Some of these resources include, oil, ... and natural gas.
