

[Verse 1]

Words are flowing out like endless rain into a paper cup  
They slither wildly as they slip away across the universe  
Pools of sorrow, waves of joy are drifting through my opened mind  
Possessing and caressing me

[Chorus]

Jai Guru Deva, Om  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world

[Verse 2]

Images of broken light which dance before me like  
a million eyes  
They call me on and on across the universe  
Thoughts meander like a restless wind inside a  
letter box  
They tumble blindly as they make their way across  
the universe

[Chorus]

Jai Guru Deva, Om  
Nothing's gonna change my world

[Verse 3]

Sounds of laughter, shades of life are ringing  
through my open ears  
Inciting and inviting me  
Limitless undying love which shines around me like  
a million suns  
It calls me on and on across the universe
