My fantasy city

Our town is an old town. There's a square in the town centre. **1) It's** called Market Square because there's a market there every morning. Once a year there's a jazz festival in Market Square, too. **2) It's** usually very good.

At the end of the square there's a museum. There are old photographs of the town in **3) it**. **4) They're** really interesting.

There are some restaurants in the square. **5) They're** great. Opposite the restaurants there's a theatre, a bookshop and a pub. The theatre's called The Opera House. The bookshop is between the theatre and the museum. The pub is on the corner of the square. There's a car park in Castle Street, next to the pub.

Opposite the square there's a big hotel – **6) it's** called The Castle Hotel. I work at the hotel. There's a club in the cellar. **7) It's** called Ringo's. The hotel is in Castle Street. **8) It's** a pedestrian street with a lot of shops - music shops, clothes shops and shoe shops. There are three parks, too.

At the end of Castle Street, there's a park. We often go there at the weekend.

***Task 4. Write about the centre of your town. Use the expressions in the box to help you.** Задание по желанию
