

Glagole v oklepajih postavi v ustrezno glagolsko obliko.

Dear Alice,

Here I _____ (be) in Cres with my parents. Cres is a beautiful Croatian island. We
_____ (stay) in a beautiful hotel which _____
(surround) by pine trees.

We _____ (leave) Ljubljana last Monday morning and we
_____ (drive) to Cres for 10 hours. Yesterday, when we _____
(be) on an outing, we got lost because my father _____ (not bring) a compass
and a map. Later that day we _____ (eat) some sea food in a fancy restaurant but when we
finally arrived back at our hotel, my mum _____ (not feel) well. She
_____ (lie) in bed for three days!

Guess what! We _____ (go) pony-trekking this afternoon.

I _____ (already catch) fish with my new fishing rod but I
_____ (not go) scuba-diving yet. If the weather is fine tomorrow, I
_____ (try) my new scuba-diving equipment. I can't wait!

I must stop now! I can see that Jack _____ (come). He is such a great guy! He
always _____ (make) me laugh when we are together.

And you? I'm sure you _____ (not miss) school and neither do I.

See you soon,

Vanessa
