

## Number Between

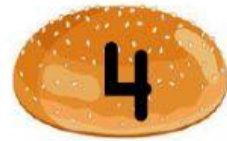

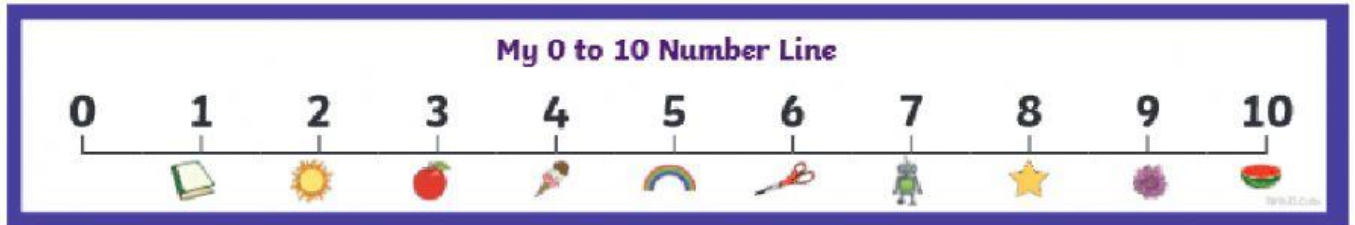

When a number is  
between it has a  
number before it and  
a number after it.

The number  
between is like  
the cheese in a  
sandwich!

Use the number line to help you find the number between.

Count carefully, who is the cheese?

1    \_\_\_    3

2    \_\_\_    4

5    \_\_\_    7

3    \_\_\_    5
