LEMBAR KERJA SISWA PENCEMARAN LINGKUNGAN

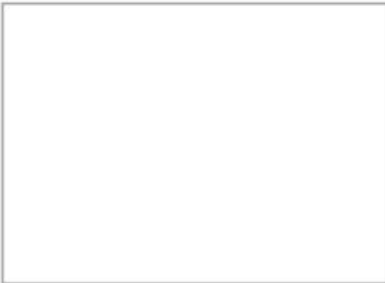

A. Pilihlah penyebab pencemaran udara dibawah ini!

The diagram consists of five circular images arranged around a central image, each with an arrow pointing to an empty rectangular box for labeling:

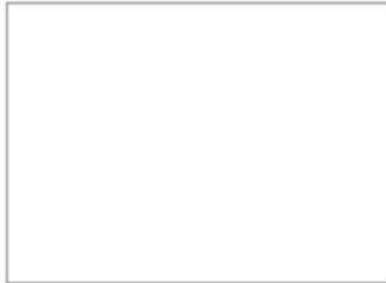

- Top-left:** An oil spill on the ocean with a ship nearby. Arrow points down to a box.
- Top-right:** A person in a yellow shirt coughing, with a sun and clouds in the background. Arrow points down to a box.
- Bottom-left:** A car driving on a road, emitting exhaust. Arrow points right to a box.
- Bottom-right:** A factory with smokestacks emitting smoke. Arrow points right to a box.
- Center:** A city skyline at night with lights. Arrow points up to a box.
