

# Presentation

Hello, I'm Danny.  
This is my backpack.

Look, it is a pencil.  
I use my pencil to draw a circle.

It is a pen.  
I use my pen to write my name.

It is a book.  
I read it every day.

It is a ruler.  
I use my ruler to measure things.

It is an eraser.  
It isn't a candy.
