My European vacation

When I was 14 years old, my family and I _____ to Europe. I remember that my parents _____ this trip a year _____. We spent 14 days in Europe and visited many famous _____, such as the Eifel tower and Anne Frank museum. We also visit a local _____ near Amsterdam, where they showed us how to milk a cow and make cheese. Besides, during our vacation, we visited 4 _____. The most memorable of all was, obviously, The Euro Disney amusement park. In that park, there are many different _____ and thrilling rides. Also, I loved the evening _____, with all the famous Disney characters. Back then we couldn't use our _____ to take pictures, so my dad used his digital camera. Overall, it was an amazing _____ that I will never forget.
