Respected Principal, teachers and my dear friends, a wonderful morning to all of you. Today on this 1)..... occasion, I would like to speak some words on the topic - Dance.

Dance is an art form where performers move their body to the 2)..... of music. It has been performed since 3)..... times, since dancing is one of the ways in which humans 4)..... express feelings of happiness. Over time, it evolved into an elaborate art form, with numerous schools emerging in various regions.

Dance has many 5)..... . It is a dynamic art form that helps our body stay fit and healthy, and makes us 6)..... and more 7)..... It also brings great joy to us, improving our 8)..... as well. Dancing as an art form takes a lot of hard work and practice, and those who have mastered it are indeed very talented.

To conclude, dancing truly is an 9)..... art! Thank you for listening to me so 10).....
