

Exam

Read and then answer the following questions in the right way:

MRS. CURIOUS

Hi! My name is Janet Curious. I live on the top of an apartment building in a small town. I'm a very curious woman and I always want to learn what other people are doing. As you see, now I'm watching people in my neighbourhood through my binoculars.

West Street is busy today. Tina and Victoria are going into a clothes shop and Mr. Thompson is buying some biscuits and a newspaper from the kiosk on the corner. The baker is sitting out and drinking tea because there are no customers in his shop now. The florist is preparing a nice bouquet of roses for a handsome man. I think the man is late for a meeting as he is looking at his watch and seems worried. There are a lot of people in the butcher's. The shop owner is cutting meat and his assistant is talking to an old woman at the moment. Oh my god! There's a traffic accident in front of the post office. Two men are looking at their cars and talking to each other. Charlotte and her husband are waiting for a bus at the bus stop. I suppose they are going to the shopping mall now as they always do on Saturdays.

Let me have a look at the park on Pole Street. Oh, it's so crowded with children as usual. Kathryn is skipping rope and Grace is playing with her doll. Walter and Harold are feeding a few street dogs as they love animals so much. Little Alfie is crying and pointing to a balloon seller. Her mother is reading a newspaper. Pamela is playing on the monkey bars while her brother is swinging. Terry, Laura and Sharon are sliding and laughing. George isn't riding his bicycle because he has a flat tyre. Shirley is playing volleyball with a group of children, but she isn't good at it. Three cats are following Joe because he is eating a big sandwich. Mr. and Mrs. Brown are resting on a bench and getting some fresh air. Some teens are sitting under the big pine tree. Virginia is playing the guitar and they are singing happily. Dennis is running and trying to fly his kite while his friend, James is jumping up and down with joy. It's so nice to watch people here on my balcony, but I must go now.

1. What is Mrs. Curious doing at the moment??
 - a) She's watching people in her neighbourhood
 - b) She's watching T.V.
 - c) She's making dinner

2. What is Mr. Thompson buying from the kiosk?
