

## Understanding Place Value

Write how many hundreds, tens, and ones are in each number. Use hundreds, tens, and units to build the number or draw a representation in the box.

|          |      |      |
|----------|------|------|
| 145      |      |      |
| Hundreds | Tens | Ones |
| 1        | 4    | 5    |

Build or Draw the Number

|          |      |      |
|----------|------|------|
| 101      |      |      |
| Hundreds | Tens | Ones |
|          |      |      |

Build or Draw the Number

|          |      |      |
|----------|------|------|
| 143      |      |      |
| Hundreds | Tens | Ones |
|          |      |      |

Build or Draw the Number

|          |      |      |
|----------|------|------|
| 126      |      |      |
| Hundreds | Tens | Ones |
|          |      |      |

Build or Draw the Number
