

# Summer camp

## 1. Listen and read. Then choose the correct answer.

### Summer camp

- 1 In the USA, we have a long summer holiday! We don't go to school for three months – June, July and August! That's great, but it's a long time. Mom and Dad go to work, so my brothers and I go to summer camp.
- 2 We stay in **huts**. There are six children in each hut. It's sometimes noisy, but it's always fun!
- 3 We all help at camp. We make breakfast and we cook dinner. We often have picnics or barbecues. And we always make '**smores**'! You need some chocolate, some marshmallows, and some cookies. They're delicious!
- 4 We go to the beach every day. We play frisbee and volleyball, and games like **tug-o-war**. And we go swimming and snorkelling. I sometimes miss my Mom and Dad, but I speak to them every day.
- 5 I can't wait to go to camp! It's always an adventure! You can make lots of new friends!

### 1 When is the summer holiday in the USA?

It's in July, August and September

It's in June, July and August

It's two months long
