

## AMERICAN WOMAN – LENNY KRAVITZ

American woman  
\_\_\_\_\_ away from me  
American woman  
Mama, \_\_\_\_\_ me be

Don't come hangin' 'round my \_\_\_\_\_  
I don't wanna see your \_\_\_\_\_ no more  
I got more important things to do  
Than spend my time \_\_\_\_\_ old with you

Now woman, stay away  
American woman, \_\_\_\_\_ what I say

American woman  
\_\_\_\_\_ away from me  
American woman  
Mama, \_\_\_\_\_ me be

Don't come \_\_\_\_\_ round my door  
I don't wanna see your \_\_\_\_\_ no more  
Colored lights can hypnotize  
Sparkle someone else's \_\_\_\_\_

Now woman, get away  
American woman, listen what I say

American woman  
I \_\_\_\_\_, get away  
American woman  
\_\_\_\_\_ what I say

Don't come hangin' 'round my \_\_\_\_\_  
Don't want to see your \_\_\_\_\_ no more  
I don't need your \_\_\_\_\_ machines  
I don't need your ghetto scenes  
Colored lights can hypnotize  
Sparkle someone else's \_\_\_\_\_

Now woman, get away  
American woman, listen what I say

American woman  
\*\*\*\*\* away from me  
American woman  
Mama, \*\*\*\*\* me be

I gotta go, I gotta get away  
Babe, I gotta go, I wanna fly away  
I'm gonna leave you, woman  
I'm gonna leave you, woman  
I'm gonna leave you, woman  
I'm gonna leave you, woman

Bye-bye, bye-bye  
Bye-bye, bye-bye  
(American woman) You're no good for me and I'm no good for you  
(American woman) I look you right straight in the eye I tell you what I'm gonna do
