No. :

Read some of the sentences below! Then categorize the words that belong to the past tense.

A Trip to Jogjakarta

Last week, I went to Jogjakarta with my friends. We stayed at a cozy guesthouse near Malioboro Street. On the first day, we visited Borobudur Temple, which was magnificent. The next day, we explored the Sultan's Palace and learned about Javanese culture. Our trip ended with a shopping spree at Malioboro Street, where we bought batik and souvenirs. It was an unforgettable experience.
