

**1** Listen and read.  TR: 6

**Adverbs of frequency**

We use adverbs of frequency to show how often we do things.

always	
usually	
often	
sometimes	
rarely	
never	

We use them before verbs in the simple present, but after the verb *to be*.

The designer often *makes* two or three models.  
They are usually difficult to paint.

**2** Put the adverbs of frequency in Hans Weise's description.

1. I use toys for people and animals. (sometimes)
2. I put the camera on a table. (always)
3. I hold it in my hand, because it can move. (never)  
I take a picture of the models, move them a little, and then take another picture. (usually)
4. I take five pictures for each one second of a movie. (usually) Then I put the pictures on my computer.
5. I have hundreds of pictures. (often) I make the animation with a computer program.
6. It's easy to make animated movies, but they are very long. (rarely)

**3** Work in groups. Say true or false sentences about your day. Can your partners guess?

I always get up before seven o'clock.

That's true.

False!
