TASK SHEET

Changes through the year

In your groups solve the following tasks:

1. Use **Canva** to create a calendar page for the month of the year that you chose;
2. Use **Wordart.com** and create a word cloud for your team. Introduce at least 10 words in a template of your choice;
3. Use **Firefly.adobe** or **Nightcafe app** to generate pictures for your calendar pages;
4. Save your calendar page and your word cloud and send them to your teacher by the end of the class;
